### A LIL' WORD OF ADVICE!

- To avoid malfunction, don't play with your Skippity Doo da near puddles or under the rain. Never immerse it in water!
- As always, don't let kids tie this rope around their neck. Adult supervision is always ideal.

### REPLACING BATTERIES

- Do not mix old and new batteries.
- Do not mix alkaline, standard (carbon-zinc), or rechargeable batteries.
- Dead batteries? Check out [earth911.com](http://earth911.com) to quickly find the recycling center nearest you.

Jump around, jump UP,  
lights UP and get down!

Gently  
straighten the  
rope before  
first use!
